

CSCP

APICS Certified Supply Chain Professional

GET EDUCATED. GET CERTIFIED. GET A HIGHER SALARY.

Join a global network of supply chain professionals who are earning their APICS CSCP designation.

What's CSCP?

It's the APICS Certified Supply Chain Professional designation. This program is designed to make you a master of the end-to-end supply chain. You will learn core concepts in supply chain management, strategy, design, compliance, implementation and operations. The CSCP program will teach you how to apply what you've learned about streamlining processes and improving efficiency to your organization.

A CSCP designation demonstrates your expertise.

Who gets certified?

The APICS CSCP program sets the standard for supply chain management certification. Our designees are the top in their professions and are dedicated to improving their fields and advancing their careers. CSCP designees have the skills and knowledge it takes to get noticed by their employers and outside recruiters. APICS certification exams also help earn college credit.

How does it work?

It's simple. Start by studying for the exam with the APICS CSCP Learning System. You can self-study or attend a certification review course. APICS members save up to 25% on courseware and testing. Next, apply for exam eligibility, then take and pass the exam. Once you've earned the designation, get ready for new career opportunities.

Do you have what it takes?

If you're ready to take your knowledge and career to the next level, you're ready to get started. Submit an eligibility application today. To learn more about the APICS CSCP program, visit apics.org/cscp.
